

# ALBRECHT AE 6199 VOX

The new version of the AE6199 radio impresses with a VOX hands-free function that gives you freedom and safety while driving. Thanks to CTCSS/DCS tones, you can enjoy clear, interference-free communication.

The S-meter display shows the signal level in real time, making it easier to align the antenna, while the ASQ automatic squelch function saves you the hassle of adjusting the squelch and ensures clear communication.

The wide-angle display enables flexible installation and perfect readability, making the new AE6199 a faithful companion that improves your communication and makes your everyday life easier.
