Intelligent and safe working

Intelligent working is increasing at a rapid pace. As is the demand for high-tech communication tools. The W199 is the perfect entry-level solution here. A cover shield protects both the lens and your privacy.

Includes clip with thread for secure hold

With the clip, you can quickly attach the webcam to your monitor or optionally to a tripod with a 1/4" thread.

Compatibility

The W199 is compatible with most common systems such as Windows XP / Vista / 7 / 10 / Mac OS X.

Resolution and sound

With its high resolution (1920 x 1080), the W199 can be used both professionally and for making creative videos from home. W199 has an autofocus and a built-in microphone that can pick up sound up to a distance of 5 m.
